It called on the Islamic Ummah to mobilize all its resources to help them achieve their national goals in full. It **further invited** the Member States to back the Palestinian National Authority given the difficult financial and economic circumstances currently undergone by the Palestinian people, so as to invigorate the blessed Palestinian Intifada.

18. The Conference stressed the need to implement the resolutions and decisions contained in the Final Declaration of the Extraordinary Session of the Islamic Conference of Foreign Ministers held in Doha on May 26, 2001 on the grave situation prevailing in the Palestinian Territories.

19. The Conference called upon the Security Council to shoulder its responsibilities in ensuring necessary international protection of the Palestinian people in Al-Quds Al-Sharif and the rest of the occupied Palestinian territories to enable them to regain their inalienable national rights, concretize their national sovereignty over their national soil and set up their own independent State with Al-Quds Al-Sharif as capital. It further deplored the United States' use of the veto against the draft resolution on the protection of the Palestinian people in the occupied Palestinian territories and the establishment of a UN monitoring task force in those territories, such a stand being totally in conflict with the USA's responsibility as a sponsor of the peace process and a permanent member of the

Security Council, with a special responsibility regarding the safeguarding of international peace and security.

20. The Conference affirmed the necessity to intensify the good offices and efforts being exerted for the holding of a meeting of the High Contracting Parties of the 4th Geneva Convention of 1949 on the Protection of Civilian Persons in Time of War, with a view to taking the necessary binding measures designed to guarantee the implementation of the Convention in the occupied Palestinian territories, including the City of Al-Quds Al-Sharif.

21. The Conference condemned Israel's expansionist settlement policy and reiterated the need to stop all settlement activities and Israeli measures and practices which are contrary to the resolutions and decisions of the international legitimacy and which are also counter to the accords signed in this context by the Palestinian and Israeli sides. The Conference urged the U.N. Security Council to prevent and ban such measures and see to it that the Israeli settlements are removed in accordance with Security Council resolution 465 (1980) and to revive the International Commission established to examine the situation relating to Israeli settlements in the occupied Arab territories, including Jerusalem (Al-Quds) in accordance with with Security Council resolution 446 (1979).

It also paid tribute to the late His Majesty King Hassan II for his efforts to set up the Agency of Beit Mal Al-Quds Al-Sharif and define its objectives in the protection of the holy city and its Palestinian population. It expressed its thanks to his successor His Majesty King Mohamed VI who placed this institution under his patronage and provided it with full necessary means thus enabling it to begin work under the best auspices.

23. The Conference asserted its support to the stand of the State of Palestine resting on holding fast to sovereignty over Al-Quds Al-Sharif, including the Holy Haram in Al-Quds Al-Sharif and all the Christian and Muslim holy places which are part of the Palestinian territories occupied since June, 1967. It also affirmed that Al-Quds Al-Sharif is the capital of the independent State of Palestine. In this connection, it underlined its rejection of any attempt to diminish Palestinian sovereignty over Al-Quds Al-Sharif.

24. The Conference strongly condemned Israel for not implementing the resolutions of the international legitimacy on Palestine and the Arab-Israeli Conflict and Israel's rejection of regional and international initiatives aimed at cessation of its criminal aggressions against the Palestinian people, and the immediate and unconditional halting of all its colonialist expansionist settlement activities in the occupied Palestinian territories.

25. The Conference considered as null and void all the occupation-related settlement measures and practices in Al-Quds and the rest of the occupied Palestinian territories in line with the resolutions and decisions of international legitimacy as

well as international conventions which consider all Israeli arrangements, legislative, administrative and settlement measures aiming at altering the legal, demographic, architectural, cultural and heritage-related status of the Holy City as null and void and contrary to the resolutions and decisions of the international legitimacy, international covenants and conventions and diametrically opposed to agreements signed between the Palestinian and Israeli parties. It called on the Security Council to revive the International Commission established to examine the situation relating to Israeli settlements in the occupied Arab territories, including Jerusalem (Al-Quds) in accordance with Security Council resolution 446 (1979).

26. The Conference decided to stop all political contacts with the Israeli Government as long as the aggression and blockade against the Palestinian people and its National Authority continue, and as long as Israel persists in refusing to implement the relevant UN resolutions and called on Member States which have established, and which had started to take steps to establish, relations with Israel within the context of the peace process to break these relations, to close down any missions or offices, sever all economic relations, and end all forms of normalization with Israel until it meticulously and sincerely implements the UN resolutions on Palestine, Al-Quds Al-Sharif, and the Arab-Israeli Conflict and until the restoration of a just and comprehensive peace in the region.

27. The Conference called on the Member States to implement the provisions of the Islamic boycott of Israel, and for considering the legislations, rules and status governing the boycott action, the general principles of the boycott, the Islamic law and the by-laws of the regional offices and their periodical meetings as part of the national legislations in force, and for the creation of the necessary offices and mechanisms for so doing and coordination between the Islamic Boycott Office and the Arab Boycott Office.

28. The Conference hailed the steadfastness of Lebanon – its Government, People and Resistance – and what it has achieved in terms of the liberation of the Lebanese territories and the repelling of the Israeli occupation. The Conference strongly condemned Israel's policy of refusing to comply with Security Council resolution 497 of 1981 and of imposing its mandate, laws and administration on the occupied Syrian Golan as well as its policies of annexation, building of settlements, confiscation of land, diversion of water sources and imposition of Israeli citizenship upon Syrian citizens. It considered all such measures as null and void and constituting a violation of those provisions and principles of International Law and Humanitarian International Law, particularly the 4th Geneva Convention of 1949. RESOLUTION NO. 1/28-P
ON THE
CAUSE OF PALESTINE AND THE ARAB ISRAELI CONFLICT

The Twenty-eighth Session of the Islamic Conference of Foreign Ministers (Session of Peace and Development - Intifada Al-Aqsa), held in Bamako, Republic of Mali, from 4 to 6 Rabi-ul-Thani, 1422H (25-27 June, 2001),

Having examined the report of the Secretary-General on the cause of Palestine and the Arab-Israeli conflict (Document No. ICFM/28-2001/PAL/D.1);

Proceeding from the principles and objectives enshrined in the Charter of the Organization of the Islamic Conference (OIC);

Based on the Islamic resolutions and decisions on the Palestinian cause and the Arab-Israeli conflict;

Recalling the resolutions adopted by the United Nations General Assembly and the U.N. Security Council, particularly resolutions 242 (1967); 338 (1973); 465 (1980); 476 (1980); 478 (1980); 1322 (2000) and General Assembly resolution no. 194 on refugees as well as resolution no. ES-10/17 adopted by the extraordinary session of the United Nations Commission on Human Rights on 19 October 2000, and the resolutions of 57th Session of the Human Rights Commission relating to human rights violations in the occupied Arab territories, including Palestine, adopted on 11 April 2001, as well as the resolutions adopted by the Non-Aligned Movement (NAM), the Organization of African Unity (OAU) and the League of Arab States concerning the situation in the occupied Palestinian territories, including the City of Al-Quds Al-Sharif and the other occupied Arab territories;

Expressing its strong condemnation of Israel's persistence in its crimes as well as repressive and terrorist practices while continuing to implement its policy of colonialist settlements and the expansion of the existing ones along with the confiscation of land and property and the perpetuation of the policy of collective sanctions against Palestinian and other Arab citizens in all the occupied Palestinian and Arab territories as well as the siege of the city of Al-Quds Al-Sharif, violating the sanctity of holy places and desecrating both Muslim and Christian shrines;

Condemning the continuous Israeli aggressions against the Lebanese territories and their civilian population;

Affirming the Islamic states' commitment to achieving a just and comprehensive peace in the area;

Emphasizing that the Israeli policies, practices and expansionist designs threaten not only Arab states and the peace process, but also the Islamic countries, at large and jeopardize also international peace and security;

Holding Israel fully responsible for the undermining of the Middle East peace process on all tracks as a result of the Israeli government's intransigence, its reneging on the foundations of the peace process, especially UN Security Council resolutions 242 and 338 and the "land for peace" principle, and its failure to comply with all the agreements concluded in its context;

Hailing the resolutions of the First Ordinary Summit of the League of Arab States held in Amman from 27-29 March 2001 and the Final Communique of the Extraordinary Session of the Islamic Conference of Foreign Ministers of the OIC Member States held in Doha, State of Qatar, on 26 May 2001 and reaffirming its determination to implement the contents of this Communique;

Hailing the just struggle and the valiant "Intifada" (uprising) of the Palestinian people to recover their inalienable national rights;

Determined to back such efforts by all possible ways and means:

1 - **Reiterates** all the resolutions and decisions adopted by the Islamic conferences and Al-Quds Committee, particularly those of the latter's 18th session in connection with the Palestinian cause and the Arab-Israeli conflict.

2 - **Stresses** the necessity of establishing an independent Palestinian State with Al-Quds Al-Sharif as capital and the imperative implementation of all the international resolutions pertaining to the Palestinian cause, in particular UN Security Council resolutions 242 (1967) and 338(1973) and those relating to the issue of Al-Quds, especially Security Council resolutions 252 (1968), 267 (1969), 465 (1980), 476 (1980), 478 (1980) and 1073 (1996) as well as U.N. General Assembly resolution 223/51 of 1997 and no.194 adopted by the same body on the refugee issue, considered as the main guarantee for peace to take hold in the region.

3 - **Backs** the stand of the Palestinian State based on holding fast to the sovereignty of Al-Quds Al-Sharif, including the Holy Haram in that City and that of all the Christian and Muslim holy places and shrines which are part and parcel of the Palestinian territories occupied since June, 1967. The Conference **also Emphasizes** that Al-Quds Al-Sharif is the capital of the independent State of Palestine and **vehemently rejects** any attempt to diminish Palestinian sovereignty over Al-Quds Al-Sharif.

4- **Hails** the Palestinian people's uprising, the "Intifada" of the blessed Al-Aqsa" in defense of the City of Al-Quds Al-Sharif and all the holy places and to put an end to the Israeli occupation and achieve the aspired freedom, sovereignty and independence of the freedom-fighting Palestinian people.

5- **Invites** OIC Member States to keep on fostering their solidarity with the Palestinian people and supporting their just and legitimate struggle and to muster all the potentialities of the Islamic Ummah (worldwide Muslim community) to help them achieve their national goals in full. It **further invites** the Supreme Councils of both the Al-Aqsa Fund and the Al-Quds Intifada to back the Palestinian National Authority given the difficult financial and economic circumstances currently undergone by the Palestinian people, so as to sturdy the blessed Palestinian Intifada.

6- **Welcomes** the Iraqi Republic's decision to allocate one billion Euros out of the resources from its oil exports under the memorandum of understanding, to ensure the Palestinian people's requirements in terms of food and medical supplies and other basic needs, and to assist the families of the martyrs of the Intifada, as an Islamic duty in support of the Palestinian blessed Intifada.

7 - **Condemns** Israel's expansionist colonialists settlement policy and reiterates the need to stop all colonialist settlement activities and Israeli measures and practices which are contrary to the resolutions and decisions of the "international legality" and which are also counter to the accords signed by the Palestinian and Israeli sides. The Conference **urges the U.N. Security Council** to prevent and ban such measures and see to it that the Israeli colonial settlements are removed in accordance with Security Council resolution 465 and to revive the International Supervision and Monitoring Committee to prevent and prohibit settlement in Al-Quds and the rest of the occupied Arab territories, in line with Security Council resolution 446.

8 - **Urges the Security Council** to establish a special international criminal court, in conformity with International Law to try those Israeli war criminals who carried out or were behind the savage slaughters which were perpetrated by Israel and which led to the fall of hundreds of martyrs and thousands of wounded and maimed people among Palestinians.

9- **Strongly condemns** Israel for its use of internationally banned weapons, particularly depleted uranium and toxic gases, against the Palestinian people, given their fatal and seriously damaging effects on humans, the land and crops in the Palestinian areas.

10- **Calls upon** the Security Council to shoulder its responsibilities in ensuring necessary international protection of the Palestinian people nationals in Al-Quds Al-Sharif and the rest of the occupied Palestinian territories to enable them to regain their inalienable national rights, concretize their national sovereignty over their national soil and set up their own independent State with Al-Quds Al-Sharif as capital. The Conference further **expresses** its disillusion at the United State's use of the veto against the draft resolution on the protection of the Palestinian people in the occupied Palestinian territories and the establishment of a UN monitoring task force in those territories, such a stand being totally in conflict with the USA's responsibility as a sponsor of the peace process and a permanent member of the Security Council, with a special responsibility regarding the safeguarding of international peace and security.

11 - **Insists** on the necessity of implementing Security Council resolution 237 on the return of the Palestinian displaced persons and the General Assembly resolution 194 on the return of the Palestinian refugees to their homes and property and on compensating them, as a cornerstone of the final, just and comprehensive settlement.

12 - **Affirms** its support of the Middle East peace process along the foundations it proceeded from at the Madrid Peace Conference, in accordance with the United Nations Charter, resolutions and decisions, particularly Security Council resolutions 242 (1967), 338 (1973), 425 (1978) and the "land for peace" principle which call for Israel's withdrawal from all the occupied Palestinian and other Arab territories, including the City of Al-Quds Al-Sharif, the establishment of the inalienable national rights of the Palestinian people and the complete pullout from the occupied Syrian Golan to the 4th of June, 1967, line and from the occupied Lebanese territories to the internationally recognized borders, and the call for the genuine and accurate implementation of all the international agreements signed in this framework between the parties concerned.

13 - **Underlines** that Israel's flouting of the principles and foundations on which the peace process was based and its reneging on the commitments, pledges and agreements reached in the context of the said process, along with its procrastination, prevarication and dodging insofar as implementation was concerned and the brutal massacres perpetrated by Israel against the Palestinian people have destroyed the peace process. The Conference **blames the Israeli Government** and **holds it fully responsible** for such a deadlock.

14 - **Reaffirms** the continuous nature of the United Nations immutable responsibility towards the Palestinian issue until a just and comprehensive settlement has been reached for all its facets that would bring about the end of the occupation and enable the Palestinian people to exercise their inalienable national rights, including the right to return, to self-determination and to independent statehood on their national soil with Al-Quds Al-Sharif as capital.

15 - **Urges** the countries of the world to recognize the State of Palestine with Al-Quds Al-Sharif as capital, as soon as it is proclaimed on Palestinian soil, and extend to it all kinds of support and assistance to consolidate its sovereignty over the Palestinian land, within the June 4th, 1967, borders, in accordance with the resolutions and decisions of the "international legitimacy," and **exhorts** the countries of the world also to back the State of Palestine in obtaining full-fledged United Nations membership.

16 - **Calls for action** at the United Nations and other international institutions and forums to compel Israel to free the Arab and Palestinian detainees and captives in Israeli jails, return the deportees, end the practice of collective sanctions and the confiscation operations of land and property and lifting the siege

imposed on Palestinian cities, villages and refugee camps, as well as stopping the demolition of homes and abstain forthwith from undertaking any action that imperils life and the Environment in the occupied Palestinian and other Arab territories, including Al-Quds Al-Sharif.

17 - **Urges** all states, competent authorities and other concerned quarters to foster the international program for economic, social and cultural development in the Palestinian territories, extend the prescribed assistance to the Palestinian people to help them build their national economy and take concrete action to consolidate their national institutions and enable them to set up their independent state with Al-Quds Al-Sharif as capital.

18 - **Affirms** the necessity to intensify the good offices and efforts being exerted for the holding of a meeting of the high signatories of the 4th Geneva Convention of 1949 on the protection of civilians in times of war, with a view to taking the necessary radical measures designed to guarantee the implementation of the Convention in the occupied Palestinian territories, including the City of Al-Quds Al-Sharif.

19 - **Urges** the international community and all the states that extend economic and financial assistance to Israel, especially the United States of America (USA) and others as well as the international donor institutions and funds to halt the assistance which Israel uses to carry out its colonial settlement designs in the occupied Arab territories in Palestine and the occupied Syrian Golan.

20 - **Decides** to stop all political contacts with the Israeli government as long as the aggression and blockade against the Palestinian people and its National Authority continue, and as long as Israel persists in refusing to implement the relevant UN resolutions and calls on Member States which have established, and which had started to take steps to establish, relations with Israel within the context of the peace process to break these relations, to close down any missions or offices, sever all economic relations, and end all forms of normalization with Israel until it meticulously and sincerely implements the UN resolutions on Palestine, Al-Quds Al-Sharif, and the Arab-Israeli Conflict and until the restoration of a just and comprehensive peace in the region.

21 - **Calls** for commitment to implement the provisions of the Islamic boycott of Israel, for considering the legislations, rules and status governing the boycott action, the general principles of the boycott, the Islamic law and the by-laws of the regional offices and their periodical meetings as part of the national legislations in force, and for the creation of the necessary offices and mechanisms for so doing and coordination between the Islamic Boycott Office and the Arab Boycott Office.

22 - **Hails** the steadfastness of Lebanon – Government, People and Resistance – and what it has achieved in terms of the liberation of the Lebanese territories and

the repelling of the Israeli occupation. The Conference **supports** Lebanon in its efforts to liberate its entire territories to the internationally recognized borders. It **urges** the United Nations to force Israel to pay damage for all the losses it inflicted or caused as a result of its continuous aggressions against Lebanon. The Conference **further supports** Lebanon in its demands for the removal of the mines left behind by the Israeli occupation, which removal is the responsibility of Israel, the party that had planted these mines in the first place. The Conference supports the inalienable right of Lebanon to utilize its waters in accordance with the international law and condemns Israel's ambitions in these waters. The Conference holds Israel responsible for any action of a nature as to infringe upon Lebanon's sovereignty, political independence and safety of its people and integrity of its territories.

23 - **Strongly condemns** Israel's policy of refusing to comply with Security Council resolution 497 of 1981 and of imposing its mandate, laws and administration on the occupied Syrian Golan as well as its policies of annexation, building of colonial settlements, confiscation of land, diversion of water sources and imposition of Israeli citizenship upon Syrian citizens. The Conference considers all such measures as null and void and constituting a violation of those provisions and principles of International Law and the international and humanitarian law pertaining to occupation and war, particularly the 4th Geneva Convention of 1949. It URGES Israel to completely evacuate the entire occupied Syrian Golan and pull back to the June 4th, 1967 lines.

24 - **Urges** the international community and the Security Council to compel Israel to comply with U.N. decisions, especially Security Council resolution 487 of 1981, to join the Nuclear Weapons Non Proliferation Treaty, implement the decisions of the General Assembly and the International Atomic Energy Agency (IAEA) calling for all Israeli nuclear installations to submit to the Agency's comprehensive guarantee system, imperatively declare its renunciation of nuclear armament and present to both the Security Council and the IAEA a factual statement on its capabilities and stockpile of nuclear weapons and substances, given the fact that those are imperative steps for the creation, in the Middle East, of an area free of weapons of mass destruction, particularly nuclear weapons – which is essential to the establishment of a comprehensive and just peace in the area.

25. **Insists** on the constant responsibility of UNRWA in fulfilling its duties towards the Palestinian people wherever they may be in accordance with the UNGA resolution on the matter. It **calls** on Member States to request of the UN Secretary-General that the **Conciliation Committee,** in collaboration with UNRWA and relevant states, carry out a comprehensive census of Palestinian refugees and their property and develop a global vision to solve their problems based on their right to return to their homeland, Palestine, in accordance with UN resolution 194. It calls on states to extend further support to cover the budget of UNRWA and enable it to continue providing its services.

26 - **Requests** the Secretary-General to take the necessary measures for the pursuance and enhancing of contacts and coordination on the Palestinian cause and the Arab-Israeli conflict between the Organization of the Islamic Conference (OIC), on the one hand, and the League of Arab States, the Organization of African Unity (OAU), the Non-Aligned Movement (NAM), the European Union (EU) and the United Nations Organization (UNO) and its specialized agencies, on the other. The Conference EXPRESSES its appreciation for their show of solidarity and support to the Palestinian people's just struggle.

27 - **Requests** the Secretary-General to follow-up the implementation of the present resolution and report thereon to the Twenty-ninth session of the Islamic Conference of Foreign Ministers.

Recalling the relevant United Nations (U.N.) General Assembly and International Security Council decisions, particularly resolutions 242 (1967); 252 (1968); 338 (1973); 465, 476 and 478 (1980) and 1073 (1996) pertaining to the City of Al-Quds Al-Sharif;

Re-endorsing resolutions 2/10 of the U.N. General Assembly (UNGA) extraordinary emergency session dated April 24, 1997 and 3/10-b dated July 15, 1997 on the illegal actions carried out by Israel in the occupied Eastern part of Al-Quds Al-Sharif (East Jerusalem) and the rest of the Palestinian territories under its occupation;

Condemning in the strongest terms the continuing and escalating Israeli aggressions on the holy places in the City of Al-Quds Al-Sharif and other Palestinian cities and its desecration of shrines and sanctuaries;

Reaffirming the terms of all the International Security Council resolutions on Al-Quds, including resolution 681 dated 20/12/1990 stipulating that all the provisions of the 4th Geneva Convention of 1949 on the protection of civilians in times of war apply to the Palestinian people in the occupied Arab territories, including the City of Al-Quds Al-Sharif;

Equally denouncing in the strongest terms all the illegal measures and practices running counter to all international resolutions, decisions and laws undertaken by the Israeli occupation authorities in the City of Al-Quds Al-Sharif and designed to judaize the Holy City and obliterate its Arabo-Islamic features;

Hailing the consistent efforts deployed by Al-Quds Committee under the chairmanship of His Majesty King Mohamed VI of the Kingdom of Morocco;

Commending the sustained efforts by all OIC Member States in defending the inviolability of Muslim holy shrines and sanctuaries in the City of Al-Quds Al-Sharif, safeguarding the Holy City's Arab identity and Islamic character and protecting it from Zionist tampering and judaization schemes;

Paying tribute as well to the contribution of the Hashemite Kingdom of Jordan, the Kingdom of Morocco and the Kingdom of Saudi Arabia in rehabilitating Al-Aqsa Mosque and the blessed Dome of the Rock at the behest of and under the guidance of the late King Hussein ibn Talal, the late King Hasan II and the Custodian of the Two Holy Mosques King Fahd ibn Abdul Aziz;

1 - **Reaffirms its endorsement** of all the relevant resolutions and decisions adopted by the Islamic Conference, including those of previous sessions of Al-Quds Committee particularly the 18th Session.

2 - **Emphasizes** that there can be no just and lasting peace in the Middle East area as long as Israel has not withdrawn from all the Palestinian and other Arab territories occupied from 1967, foremost among which is the City of Al-Quds Al-Sharif, in implementation of Security Council resolution 242 (1967).

3 - **Asserts** its support to the stand of the State of Palestine resting on holding fast to sovereignty over Al-Quds Al-Sharif, including the Holy Haram in Al-Quds Al-Sharif and all the Christian and Muslim holy places which are part of the Palestinian territories occupied since June, 1967. The Conference **also affirms** that Al-Quds Al-Sharif is the capital of the independent State of Palestine. In this connection, it **underlines** its rejection of any attempt to diminish Palestinian sovereignty over Al-Quds Al-Sharif.

4 - **Considers** definitely as null and void all the occupation-related settlement measures and practices in Al-Quds and the rest of the occupied Palestinian territories in line with the resolutions and decisions of the "International Legitimacy" as well as international covenants and conventions which consider all Israeli arrangements, legislative, administrative and colonial settlement measures aiming at altering the legal, demographic, architectural, cultural and heritage-related status of the Holy City as null and void and contrary to the resolutions and decisions of the "International Legitimacy," world covenants and conventions and diametrically opposed to agreements signed between the Palestinian and Israeli parties – decisions that call for the revival of the International Supervision and Monitoring Committee to Prevent Colonial Settlement in Al-Quds and the Occupied Arab Territories, in particular resolution 446.

5 - **Urges** all countries of the world to abide by Security Council resolution 478 (1980) which exhorts them not to move their diplomatic missions to the City of Al-Quds. The resolution also invites them to avoid having any dealing with the Israeli occupation authorities, lest it may be construed as an implicit, a de facto

recognition of the fait accompli imposed by Israel which claims that the City of Al-Quds is its capital. The states are also requested to declare their condemnation and rejection of the recommendation passed by the U.S. Congress and the American statements in favor of the recognition of Al-Quds as the capital of Israel and of moving the American Embassy therein. The Conference **calls** for severing relations with any State that would move its embassy to Al-Quds or recognize Al-Quds as Israel's capital.

6 - **Calls** for legal proceedings to challenge the validity of the law passed by the American Congress on recognizing Al-Quds as the capital of Israel and moving the American Embassy to it, on the ground that this law gives preference to a religious group over another, which is contrary to the Constitution of the United States of America based on equality among religious and ethnic groups. Moreover, the land on which the would-be embassy is to be built in the occupied City of Al-Quds is a stolen land originally belonging to an Islamic "waqf" [Muslim trust-fund].

7 - **Urges** all states, institutions and international bodies to abide by the international resolutions on the City of Al-Quds for its being part of the Palestinian and other Arab territories occupied in 1967 and not to take part in any meeting or activity made to serve Israel's designs to consecrate its occupation and annexing of the Holy City.

8 - **Exhorts** the international community, especially the Security Council to compel Israel to implement the resolutions of international legitimacy, to stop it effecting any geographic or demographic alteration in the Holy City of Al-Quds, to lift the siege of the City of Al-Quds Al-Sharif, to ensure the liberty of worship therein along with the respect of the religious rites of all divine religions, to stop the demolition of homes and the withdrawal of the national identity cards of the Palestinian citizens as well as the emptying of the City of Al-Quds Al-Sharif of its Arab nationals.

9 - **Strongly condemns** the decisions of the Israeli "Supreme Court" on the City of Al-Quds Al-Sharif, especially the one issued on July 25, 1996, granting Jews the permission to pray in the praying area of the blessed Mosque of Al-Aqsa, and the one dated September 23, 1993, proclaiming Al-Aqsa Mosque as part of the area covered by the "State of Israel." The **Conference** considers such measures as deliberate provocative acts opening the way to extremist Jewish organizations to pursue their constant violations of the sanctity of the Holy Mosque of Al-Aqsa, establish a presence of theirs in its praying areas and continue the looting of religious, historic and cultural relics in the City of Al-Quds Al-Sharif and the rest of the occupied Palestinian territories.

10 - **Strongly condemns** Israel for giving orders to close the Palestinian institutions in Al-Quds Al-Sharif and preventing them from freely conducting their activities. It considers such arbitrary coercive measures as a

continuous violation of the accords signed between the Palestine Liberation Organization (PLO) and Israel within the framework of the peace process and a flagrant violation, as well, of international conventions and covenants, particularly the 4th Geneva Convention of 1949, and an infraction of the very principles and foundations on which the peace process was built in Madrid.

11- **Strongly condemns** the declarations made by Israeli officials on the partition of the blessed Mosque of Al-Aqsa, and seriously cautions against the foolhardiness of implementing the dangerous orders issued by the Israeli occupation authorities to their security forces to storm the Al-Aqsa mosque and **stresses** that such a step would form a blatant affront to the feelings of Muslims and an open invitation to push the situation towards and overall explosion and to further bloodshed.

12. **Urges** the international community and the United Nations to intervene promptly and shoulder their responsibility as to the implementation of the UN resolutions concerning the protection of civilians and holy places, and to put an end to the Israeli aggressions which fuel tension in the area and jeopardize international peace and security.

13 - **Pays a glowing tribute** to the laudable efforts exerted by the late King Al-Hasan II to set up the Bait Maal Al-Quds Al-Sharif Agency and define its objectives as being the protection of the Holy City and its Palestinian owners. The **Conference** similarly expresses its gratitude to His late Majesty's successor His Majesty King Mohamed VI who, surrounding it with his sympathy and care, placed at its disposal generous means that made it possible for it to embark immediately on its activities under the best possible circumstances.

14 - **Thanks** the Member States of Al-Quds Committee who took the initiative of making donations in favor of the Agency, which was yet another reason why it managed to tackle without delay the execution of its housing, renovation and education projects. The Conference **calls upon** all Member States to support the Agency and facilitate its mission with a view to mustering all its potentialities and using all the financial capabilities to contribute towards the achievement of its projects in Al-Quds Al-Sharif.

15 - **Lays stress** on pursuing the work and coordination with international and regional organizations for the implementation of the international resolutions and decisions adopted by the United Nations and its specialized agencies, especially the United Nations Educational, Scientific and Cultural Organization (UNESCO), and coordination as well with the League of Arab States, as well as the holding of conferences aimed at acquainting people with the cause of Al-Quds Al-Sharif and expounding the dangers besetting it.

16 - **Invites** the Vatican, the Eastern Churches and other churches and Christian religious orders to take action to resist the judaization of the City of Al-Quds Al-Sharif, keen as they are to respect the spiritual dimension of all the religions, as a safeguard to peaceful coexistence amongst them, and in observance of Security Council resolution 242 of November 22, 1967, urging Israel to evacuate all the occupied territories it invaded in 1967, including the City of Al-Quds, along with the rest of the Security Council resolutions, especially:

- *No. 465 of March 1, 1980, confirming the illegality of the building of Israeli colonialist settlements in this part and stressing that they ought to be dismantled and removed;*
- *No. 476 dated June 30, 1980, emphasizing that all measures which altered the features of the City of Al-Quds Al-Sharif and its geographic, demographic and historic status "are null and void" and must be reversed according to the relevant Security Council resolutions and decisions;*
- *No. 478 dated August 20, 1980, deciding not to recognize the so-called "Fundamental Law" and other such Israeli acts designed to alter the features and status of Al-Quds. It urged the states which established diplomatic missions in Al-Quds to remove them from the Holy City. It also called for support to help the inhabitants of Al-Quds Al-Sharif resist the judaization measures and their uprooting from their own City.*

17 - **Reiterates** the resolutions and decisions of the previous Islamic conferences affirming support for the City of Al-Quds Al-Sharif and fostering of the steadfastness of its people and calling for support as well to be extended to Bait Maal Al-Quds Al-Sharif and Al-Quds Fund.

18 - **Requests** the Secretary-General to follow-up the implementation of the present resolution and report thereon to the Twenty-ninth session of the Islamic Conference of Foreign Ministers.

RESOLUTION NO. 3/28-P
ON THE
OCCUPIED SYRIAN GOLAN

The Twenty-eighth Session of the Islamic Conference of Foreign Ministers (Session of Peace and Development – Intifada Al-Aqsa), held in Bamako, Republic of Mali, from 4 to 6 Rabi-ul-Thani, 1422H (25-27 June, 2001),

Having considered the item titled "The Occupied Syrian Golan" and Israel's decision of 14 December 1981 to impose its laws, jurisdiction and administration on the Occupied Syrian Golan;

Recalling also Security Council Resolution 497 (1981) dated 17.12.1981 and the relevant UN General Assembly Resolutions, latest of which was the one adopted by the Fifty-fifth Session;

Observing that Israel, in contravention of Article 25 of the United Nations Charter, has refused to accept and implement the numerous relevant resolutions adopted by the Security Council, in particular resolution 497 (1981); which considered null and void and with no legal consequence Israel's decision to annex the occupied Syrian Golan;

Deeply concerned at Israel's persistent attempts to defy the international community and its reaffirmation of the annexation decisions though they were considered null and void and illegitimate by the international community;

Affirming that the Geneva Convention on the Protection of Civilians in times of War (dated 12 August 1949) applies to the occupied Syrian Golan and that setting up settlements and bringing settlers to this area constitutes a violation of this Convention and a demolition of the peace process;

Affirming the fundamental principle of the inadmissibility of acquisition of territories by force;

Condemns Israel's non-compliance with the will of the international community by withdrawing from the occupied Syrian Golan which it occupies since 1967 contrary to the relevant resolutions of the Security Council, the UN General Assembly as well as international law.

Expressing concern over Israel's destruction of the Peace Process which was launched by the Madrid Conference on the basis of the UN Security Council resolutions 242 and 338, as well as the peace-for-land formula and over the risks resulting from Israel's reneging on the commitments and obligations reached,

1. **Lauds** the steadfastness of the Syrian Arab citizens in the Syrian Golan against the occupation and their valiant resistance to Israel's repressive measures and against the continued attempts to weaken their attachment to their land and to their Syrian Arab identity, and **declares** its support for this resistance.

2. **Strongly condemns** Israel for its non-compliance with UN Security Council Resolution 497 (1981) and **reaffirms** that Israel's decision to impose its laws, jurisdiction and administration on the Occupied Syrian Golan is illegal, null and void and has no legal validity whatsoever and that it constitutes a blatant violation of the UN Charter and its relevant resolutions and of the OIC Charter and resolutions as well as the Fourth Geneva Convention on the Protection of Civilians in times of war dated 12 August 1949 and relevant provisions of the Hague Conventions of 1899 and 1907, and the rules of international law, in particular the inadmissibility of acquisition of territory by force.

3. **Strongly condemns** Israel for its persistence in changing the legal status, demographic composition and institutional structure of the Occupied Syrian Golan, and for its policy and practices of confiscating lands, appropriating water resources, establishing and expanding settlements and transferring settlers and immigrants thereto, exploiting their natural resources and establishing projects on them, and imposing an economic boycott of the agricultural products of the local population and prohibiting their exportation.

4. **Strongly condemns** Israel's attempts to impose Israeli nationality and identity cards on the Syrian Arab citizens, as these measures constitute a flagrant violation of the Universal Declaration of Human Rights, the Geneva Convention on the Protection of Civilians in Times of War of 1949 and the relevant resolutions of the UN General Assembly and other international bodies.

5. **Condemns** repeated Israeli threats against Syria aiming at wrecking the peace process and escalating tension in the region.

6. **Reaffirms** that Israel's continued occupation of the Syrian Golan since 1967 and its annexation of it on 14 December 1981 constitute a permanent threat to peace and security in the region.

7. **Reaffirms also** the right of the Syrian Arab Republic to recover its full sovereignty over the Occupied Golan.

8. **Demands** Israel to fully withdraw from all the occupied Syrian Golan to the line of the 4th of June 1967 in implementation of the relevant resolutions of the UN Security Council and to immediately begin demarcating that line.

9. **Demands** Israel to fully comply with the fundamental principles of the peace process as initiated in Madrid consistent with Security Council resolutions Nos. 242 and 338 and the principle of "land for peace" and to abide by all the commitments and pledges reached so far.

10. **Demands anew** all states to stop providing Israel with any military, economic, financial, technological or humanitarian assistance that may extend Israeli occupation of Syrian Golan and encourage Israel to pursue its expansionist settlement policy.

11. **Calls upon** the co-sponsors of the peace process and the international community to assume their responsibilities and compel Israel to implement the resolutions of international legality calling for total Israeli withdrawal from the occupied Syrian Golan to the line of 4 June 1967 and from other occupied Arab lands, and to immediately start demarcating this line in order to achieve a just and comprehensive peace in the region.

12. **Declares** its support for the firm position of Syria in its commitment to a just and comprehensive peace in the region.

13. **Requests** the Secretary General to follow up the implementation of this resolution, and to submit a report thereon to the Twenty-ninth Session of the Islamic Conference of Foreign Ministers.

4. **Reaffirms** its commitment to Lebanon's independence, sovereignty and territorial integrity within its internationally recognized borders and **supports** type the position of the Lebanese government which insists on the necessity of ensuring the complete withdrawal of the Israeli forces from all Lebanese territories back to internationally recognized borders and of bringing them under Lebanese sovereignty. 10. **Considers** that the achievement of a just and comprehensive peace in the Middle East is the appropriate way of achieving security and stability in the region. RESOLUTION NO. 8/28-P
ON
THE MECHANISM OF FINANCIAL SUPPORT TO THE INTIFADA OF THE PALESTINIAN PEOPLE

The Twenty-eighth Session of the Islamic Conference of Foreign Ministers (Session of Peace and Development – Intifada Al-Aqsa) held in Bamako, Republic of Mali, from 4-6 Rabiul Thani 1422H (25 – 27 June 2001),

Also recalling Resolution No. 1/27-E adopted by the Twenty-seventh Session of the Islamic Conference of Foreign Ministers;

Further recalling Resolution No. 6/24-E of the 24th Session of the Islamic Conference of Foreign Ministers, in which Member States were invited to reinforce Sub-Regional and Regional Markets and relaunch the existing economic integration projects among themselves;

Noting that globalization and increasing liberalization have made the external environment for development crucial particularly since OIC Member States have become more vulnerable to the intense competition and unpredictable fluctuations in international trade, instability in the financial and monetary flows as well as to the changes in technology;

Noting with concern that the world economy faces periodical severe fluctuations and crises in some regions the effects of which spill over globally due to the solid linkages between economies;

Stressing the urgency for the international community to work for a global approach towards financial crisis;

Aware of the need to improve the capacities and modalities of the International financial institutions, with regard to the prevention, management and resolution of international financial crises in a timely and effective manner;

Aware of the fact that, as a result of the current trends of globalization and liberalization, a large number of OIC Member States are bearing a disproportionate share of the adjustment burden;

Recognizing that the effective implementation of the Uruguay Round Agreements would necessitate a certain measure of adaptation in the economic and administrative structures of the Member States to safeguard their interests and to take maximum advantage of the opportunities to be created thereby;

Further aware of the need to further strengthen cooperation and coordination among OIC Member States to ensure expansion in inter-Islamic trade;

Having taken cognizance with appreciation of the studies prepared by SESRTCIC on world economic developments and ICDT on intra-Islamic trade;

Having considered the report of the Secretary General on the matter,

1. **Stresses** the need to promptly take practical steps foremost of which is to set up joint investment projects among Member States to achieve economic complementarity between them to ensure economic integration among the OIC Member States with the ultimate objective of establishing an Islamic Common Market or any other form of economic integration, on a step-by-step basis, among OIC Member States, and commends the efforts exerted by the Arab Economic and Social Council to create a major Arab free trade zone and other similar initiatives namely, the ECO, SEACO, ECOWAS, CEMAC and CEMAO.

2. **Underlines** the need to devise ways and means to minimize the adverse effects of the globalization on the economies of the Islamic world as well as to enable them to harness opportunities provided by globalization.

3. **Calls on the** international community to adopt appropriate measures to ensure that the benefits of globalization are shared by all countries on an equal basis so as to ensure balanced advantages and obligations of developing including OIC member countries.

4. **Calls upon** the developed countries for further liberalization and increased access for the products and services where developing countries have a comparative advantage, and access to transfer of technology on concessional terms and have access to investment and technology.

5. **Urges** Member States to pursue efforts aimed at strengthening economic cooperation and economic policy coordination among them so as to maximize the complementarities in their economies and avoid further marginalization.

6. **Urges also** Member States to coordinate their efforts aimed at making the necessary contacts with the concerned international parties and organizations so as to safeguard the economic interests of Member States and not to prejudice their exports of various commodities and materials.

7. **Calls on** the developed countries to create a more practical, equitable and transparent environment enabling developing countries to implement their structural adjustment programmes to enable them to achieve sustainable development and urges them to support the Common Fund established by UNCTAD with a view to stabilizing raw material prices.

8. **Notes with appreciation** the exchange of views on current world economic issues that are being regularly conducted during the annual sessions of the COMCEC which constitute valuable occasions for the Member States to share their experiences and coordinate their positions on these issues.

9. **Notes with concern** the extraterritorial application by a number of developed countries of local legislation which adversely affect foreign investments in other countries, including the OIC Member States. Rejects all coercive measures, which are null and void from the perspective of international law; and **calls upon** the international community to put an end to such practices which impede cooperation in the economic and commercial fields between countries which intend to do so.

10. **Agrees** on the need to closely monitor the implementation of the Uruguay Round Agreement and requests the General Secretariat and related OIC Institutions to study new and emerging trends and report making proposals to implement technical assistance programmes to assist those Member States which might have difficulties in responding to the new challenges.

RESOLUTION NO. 2/28-E
ON
SUPPORTING THE REFORMS OF THE INTERNATIONAL FINANCIAL ARCHITECTURE

The Twenty-eighth Session of the Islamic Conference of Foreign Ministers (Session of Peace and Development – Intifada Al-Aqsa) held in Bamako, Republic of Mali, from 4-6 Rabiul Thani 1422H (25 – 27 June 2001),

Recalling Resolution No. 2/9-E(IS) adopted by the Ninth Session of the Islamic Summit Conference;

Recalling Resolution No. 2/27-E adopted by the Twenty-seventh Session of the Islamic Conference of Foreign Ministers;

Recognising that recent South East Asian financial crisis was not only rooted in the macroeconomic vulnerabilities in several of the affected economies but was also caused by weaknesses in the current arrangements that govern the international financial system;

Accepting that the crisis had brought about severe economic and social consequences to the affected countries and that to prevent future vulnerabilities, steps had been taken to improve their macroeconomic management, enhance transparency and disclosure as well as increase corporate governance and draw up policies to strengthen their financial systems;

Recalling that a high degree of agreement has been achieved in the various fora on ways to reform the international financial architecture, particularly in the critical areas of strengthening financial systems, enhancing transparency and disclosure and improving the approaches to crisis prevention and resolution, including by involving the private sector and improved coordination between the international financial institutions;

Further accepting that weaknesses in the arrangements that make up the international monetary system have allowed excessive risk taking, imprudent investor behaviour and speculative activities;

1. **Appreciates** the contributions and efforts made by the various fora such as the G-7, APEC, ASEAN, the G-15, the G-20 as well as the international financial and regulatory bodies such as the IMF, World Bank, the Bank of International Settlements (BIS) and the International Organization of Securities Commissions (IOSCO) to strengthen the international financial architecture;

2. **Underscores** the importance of developing an orderly and strengthened international financial system.

3. **Underlines** that the reforms of the international financial architecture should aim at addressing the fundamental weaknesses of the free market system and the inherent instability of the international financial system through achieving the following:

a. avoid disruptive destabilising capital flows to maximise benefits from globalised capital markets, thereby minimising risk;
b. contain the adverse impact of currency trading especially on small economies;
c. mitigate occurence of future crisis;
d. limit the contagion effect of any crisis; and
e. achieve symmetry in good behaviour of governments and the private sector.

4. **Stresses** the need to maintain the momentum for reforming the global financial architecture and avoid dampening the enthusiasm for this approach in the light of positive impressions derived from the current indicators in world economy.

5. **Agrees** that the issue still requires crucial action particularly in areas pertaining to exchange rate systems, the liberalisation of capital accounts and the adoption of monetary and financial policies likely to encourage capital inflow.

6. **Urges** that in those areas where recommendations have received broad support, developing, emerging and developed countries expedite the implementation of these proposals so as to enhance global financial stability, and more importantly promote sustainable growth and welfare;

7. **Calls** for developing and emerging market economies to be effectively represented in the consultations now underway, as a more inclusive process is the only way to give moral authority to collective decision-making on the reforms of the international financial architecture;

8. **Calls** for a greater participation of private sector in the prevention and resolution of financial crisis and the need for standards of transparency and disclosure of economic and financial information to be applied equally to the public and private sectors.

9. **Takes note** with appreciation of the study prepared and submitted by SESRTCIC on the subject.

10. **Requests** the SESRTCIC, Ankara, to follow-up and study the matter, particularly from the point of view of its implications for the OIC Member States and submit periodic reports to the annual session of the COMCEC and thereafter to the Islamic Conference of Foreign Ministers (ICFM).

RESOLUTION NO. 49/28-E
ON
THE SIXTH CONFERENCE OF PARTIES TO THE UNITED NATIONS FRAMEWORK CONVENTION ON CLIMATE CHANGE (COP6)

The Twenty-eighth Session of the Islamic Conference of Foreign Ministers (Session of Peace and Development – Intifada Al-Aqsa) held in Bamako, Republic of Mali, from 4-6 Rabiul Thani 1422H (25 – 27 June 2001),

Recalling resolution 50/9E(IS) of the Ninth Summit, held in Doha, State of Qatar, from 16 to 17 Shaban 1421H (12 – 13 November 2000),

Expressing its concern for the deterioration of the world environment including increasing environmental pollution and the depletion of natural resources;

Reaffirming the right of every individual to enjoy a healthy unpolluted environment;

Referring to the 1992 Agreement on Climatic Change adopted in New York and the 1998 Kyoto Protocol adopted in Japan;

Noting the importance of the negotiations which took place during the Sixth Conference of Parties to the Framework on Convention Climate Change held in the Hague, Holland from 13-24 November 2000, as well as their impact on Islamic States;

1. **Again,** urges industrial countries to honour their obligations under the convention on Climate Change and the Kyoto Protocol.

2. **Emphasizes** the importance of effective participation of Islamic States in conferences and meetings related to the convention on Climate Change with delegations comprising specialists in all areas relevant to such conference.

3. **Emphasizes** the need to reiterate the demand for unanimity in adopting fundamental matters.

4. **Emphasizes** the need for the Sixth Conference of Parties to the Convention to adopt effective measures on implementing paras 8 and 9 of Article 4 of the Convention and Para 14 of Article 3 of the Kyoto Protocol with a mandatory and not optional status. To that end, it is necessary to adopt the following measures (which have been adopted by the G77 and China):

   (a)- For industrial countries to restructure their tax systems to reflect levels of green house effect for all sources of gas emission, in addition to abolishing assistance to a number of energy sources, such as coal in industrial countries.

(b)- For industrial countries not to encourage increased local and regional production of fossil fuels, including oil, as such increases in production would be at the expense of their related imports from our developing countries.

(c)- To remove all obstacles standing in the way of oil use and imports, particularly in the field of electrical energy generation.

(d)- To assist our developing countries, including those whose national revenues depend to a large extent on oil exports, to diversify their economies by encouraging investment, the transfer of modern technologies, and the compensation of developing countries adversely affected by environmental policies adopted by industrial countries.

5. **Emphasizes** that the Conference of Parties to the Protocol should monitor the implementation by the industrial countries of these measures through an annual review of their national reports, which must cover progress made on the application of the above-mentioned points. This has been stipulated in Article 7 of the Protocol on reports and Article 8 on Report Reviews.

6. **Stresses** the need not to agree to an amalgamation of Paras 8 and 9 of Article 4 of the Agreement with para 14 of Article 3 of the Protocol into one resolution. The two resolutions must be kept separate because of the different nature of each of the Articles in terms of mandatory status and the responsibility of industrial countries described in Appendix I of the Agreement within the context of para 14 of Article 3; and because the process and mechanisms for implementing the agreement are different from those for implementing the Protocol.

7. **Emphasizes** the need not to subject developing countries to new obligations related to limiting their emissions, whether on a mandatory or voluntary basis and not to determine a time schedule for any negotiations regarding such obligations.

8. **Supports** the demands related to providing financial and technical assistance to developing countries and creating distinct funds for the purpose, in addition to existing financial means. It calls for a commitment from industrial countries to allocate specific financial sums to these funds on a regular basis.

9. **Calls** for the implementation of all the items in the 1998 Buenos Aires Plan of Action through effective, mandatory measures attached to each item.

10. **Requests** the Secretary General to take appropriate steps for the implementation of this recommendation and submit a report thereon to the Twenty Ninth Session of the Islamic Conference of Foreign Ministers.

Recalling resolutions adopted by the Islamic Summit and other Islamic Conferences, in particular of the Ninth Session of the Islamic Summit Conference;

Recalling in particular the principles stipulated in the Cairo Declaration on Human Rights in Islam as adopted by the 19th Islamic Conference of Foreign Ministers under Res. 49/19-P(1990) and in the Declaration on Child Rights and Protection in Islam as adopted by the Seventh Islamic Summit Conference under Res. 16/7-C(IS) (1994).

Bearing in mind the Declaration issued by the World Summit on the Child and the Plan of Action which called for the preparation of national programmes for children, the equal treatment of male and female children and the provision of equal opportunities.

Mindful of the fact that children—as part of the most vulnerable social segment – endure the greatest hardships consequent on natural and man-made disasters leading to tragic phenomena in terms of orphanage, homelessness and exploitation of children in military activities or dangerous illegal work, not to mention the sufferings of refugee children, or those held in prison or plying under occupation, dispersed or missing as a result of armed conflicts or famine, such as to have contributed to the rise in the phenomenon of violence among children and in the increased number of handicapped, whether physically, intellectually or socially.

Realizing that the first earnest action step start with a perceptive awareness of the importance of the accumulated and expected challenges facing the Islamic Ummah, foremost of which the negative effects of the economic and social transformations, the regression of the family's role, the weakness of the feelings of belonging, the disintegration of the family bonds, the declining role of ethics and concepts, the inadequacy of health and educational services, the continued illiteracy, let alone the adverse effects resulting from the fast-pace developments in science and technology along with the persistence of negative patterns of inherited traditions.

Recognizing that millions of children in the Islamic countries die as a result of diseases from which they may be protected or because of malnutrition; and that other millions suffer from the same circumstances because of famines, drought and armed conflicts;

Expressing its deep concern over the executions faced by the Palestinian children in terms of killings, physical maiming, oppression and psychological destruction at the hands of the Israeli occupation forces and settlers, not to mention the obstruction of their education and health care, through the external and internal blockades and sieges of towns.

Underlining the basic role of the family in the guidance and moral and material education of children.

Realizing the important role of the mass media in education, information and entertainment of children and expressing deep concern over the programmes designed for children which encourage violence, disobedience and spirit of consumption.

Stressing the importance of establishing Islamic schools for Muslim minorities living in non-Islamic countries.

Having considered the recommendations of the Twenty-fourth Session of the Islamic Commission for Economic, Cultural and Social Affairs;

Having considered the report of the Secretary General on the matter;

1. **Urges** the Member States to place the issue of the Palestinian children's care and protection high on the priority list commanding attention to what they are facing in terms of deliberate killings, maimings, repression and psychological destruction at the hands of the occupation forces and Jewish settlers, not to mention the obstruction of their education and health care through internal and external blockades and sieges of towns and villages and the cutting off of the roads that lead to schools and hospitals.

2. **Recommends** to the Member States and the OIC General Secretariat to follow-up the implementation of the contents of the most important operative paragraphs of resolution No.16/9-C(IS), adopted by the Ninth session of the Islamic Summit Conference;

   a. the Member States, in their consideration of the measures relevant to conflict prevention, management and settlement, to take all necessary measures to prevent any further armed conflicts and to provide particular care for the needs of children and women who are the main victims of such conflicts, and particularly to encourage periods of truce during conflicts, as well as safe passages such as to allow the channeling of food supplies and vaccinations and health care services, and to ban the production, storage, import, export and use of landmines. The Conference also urges the member States that planted such landmines, to assume their removal or at least to extend technical and financial assistance for the clearing of existing mine-fields whose victims in fact are more often than not among women, children and other civilians, and whose devastating effects extend far beyond the conflict period.

   b. Urges all Member States to act, with the assistance of the international community, for the betterment of the children's particularly those living under difficult conditions, such as those living in violent and incessant conflict areas, refugee and displaced children – Relief should be extended to them in the form of coverage of the physical and moral needs and through catering for their education and assistance towards their return to normal living. The Conference pays tribute to all earlier efforts made by many Islamic States in this connection.

   c. Calls on Member States to collaborate among themselves and to act collectively and individually in order to play a leading role in the international arena and thus serve as a model for what can be achieved for the benefit of children.

d. Calls upon the international Community, particularly the donor countries to provide increased assistance to the developing OIC countries to enable them to continue their child care and protection efforts.

e. Calls for the convening, at the earliest possible date of the Ministerial Conference on the Child and Social Affairs, and commissions the Secretary General to make the necessary consultations with the Member States in this connection, particularly those which have outstanding expertise in this field.

f. Calls on Member States to continue to strive for guaranteeing the human rights of children of both sexes, as they constitute the best means to achieve social justice. g. Requests Member States to take the necessary measures to protect children from the dangers resulting from harmful mass media programmes and to support programmes which lead to the promotion of the cultural, moral and ethical values of children.

h. Also requests Member States, in order to ensure the safety of the paid working children and their morals, to forbid any form of dangerous employment and to assist them to enjoy social security benefits.

i. Entrusts the Secretary General to study the conditions of the schools of Muslim minorities living in non-Islamic countries in coordination with the government concerned and to submit to the next ICFM a report on the possible means to increase their numbers and to rationalize their management after receiving the views of Member States thereon.

3. **Takes** note of the meeting held by the General Secretariat on formulating a draft Covenant for Child in Islam based on authentic Sharia sources; it **also takes note** of steps achieved in this respect.

4. **Commends** the role played by UNICEF since its establishment for the survival, protection and development of children worldwide, particularly in the developing countries; and especially the ongoing cooperation between the OIC and the UNICEF relating to the child care and protection in the OIC countries.

5. **Requests** the Secretary General to follow-up this matter and submit a report thereon to the Twenty-ninth Session of the Islamic Conference of Foreign Ministers.
